

What Humanitarian Aid groups do:

Offer travel food to asylum-seekers vetted by Homeland Security. They have been hosted by churches while travel arrangements are made by the families they are going to.

They seek asylum from horrendous violence in their own countries in Central America

Somos America works in tandem with Arizona volunteers who offer direct assistance to asylum seekers . Somos coordinates donation drives for travel size food to disburse to volunteers to give to mother/child or father/child on their travels to family in United States to continue the immigration process.

Somos America is a Phoenix area 509a2 (Charity Tax Status), not-for-profit activist organization. Financial donations are tax deductible. Checks may be made out to Somos America. PO Box 1178, Scottsdale Az 85252
